Limited to 1200 attendees on permits

We will make sure even a sellout on first tier covers the cost of event

We will have water stations, but will not sell water

We will **not** provide cups – attendees will need to bring their own cups or bottles

Should we have food trucks outside event perimeter?

If so, we need a lead to take on that role

Next meeting is Thursday, 12/3 at Fusion Factory, 7:00 p.m.

Meeting adjourned at 7:57 p.m.
